In the event of breach of the Limited Warranties, ActiveState’s exclusive liability and Your sole remedy for breach thereof shall be (at ActiveState’s option) to correct or replace the Products and/or the Documentation within a reasonable time or to refund the total Fees paid to ActiveState by You in the relevant portion of the Term and terminate this Platform Enterprise Tier Terms. ActiveState shall only be liable under this Platform Enterprise Tier Terms for breach of the Limited Warranties where ActiveState is notified in writing of such breach within the Warranty Period.
